Welcome
Welcome back everybody to the final term for 2014. The Stansbury Primary School community would especially like to welcome our 3 new students, Kiannah, Kylan & Shaylah and their family. I hope everybody has a wonderful and rewarding term 4.

School Camps

Reception – Year 5
We are off on school camps next week. Reminder that all Reception to Yr 5 students going on camp need to be at school by 6:45am on Monday 27th October to get organised for the bus to leave at 7am SHARP!!!

Please advise us in the office if you need another copy of the “What to bring” note that was sent home last week. Students need to give any medication to a staff member before they get on the bus as well as putting their packed recess / lunch / drink bottle in the tubs provided. This is the only food the children are required to bring as the rest of the camp is catered for. Please don’t send LOLLIES / SNACKS!!

Year 6 & Year 7’s
Reminder Year 6 & 7 students to meet at Adelaide Airport by 11am on Tuesday 28th October.

Headlice
As there have been some cases of headlice at the school, please be vigilant in checking your child/ren’s hair. Headlice Policies are available from the office if you need a copy.

Secret Garden
Due to the overgrown nature of the “Secret Garden” and the beginning of the heat, the Secret Garden will be out of bounds for Term 4 (even with long pants).
World Teachers’ Day – Friday 31st October

The aim of World Teachers’ Day is to mobilise support for teachers and to ensure that the needs of future generations will continue to be met by teachers. World Teachers’ Day was created by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) on October 5th, 1994. UNESCO celebrates teachers on the first Friday in October annually. As this is during the school holidays in most Australian states and territories, Australia celebrates its teachers on the last Friday of October.

We are blessed with three dedicated, caring, professional people as our students’ teachers: Mrs Kelly, Miss Callaway & Mrs Campion. They deserve many thanks for their commitment to the learning and care of students often above and beyond what would be expected. Please consider how you might show your appreciation on this special occasion.

2015

We have started planning for next year and would appreciate knowing accurate information about student numbers to assist with this process. Please let Kim know if you are planning on not being at Stansbury Primary School next year or if you know of anyone planning on joining us next year.
