- Consent Forms (Year 4 & 5’s only)

FROM THE PRINCIPAL

School Camps

As we have now all survived school camps for 2014, I would just like to thank all the staff for their extra efforts in allowing the kids to go on school camp this year. Without your extra efforts and commitments to the children, camps would not occur, so a very big THANK YOU to you.

By all accounts everybody thoroughly enjoyed their camps and hopefully within the next few days, we will have all got over our tiredness and be back on track.

Perth

I would just like to make a special mention to Vincent, Angus, Bronwyn, Georgina, Erin and Palmmy who did two outstanding presentations in Perth, even a technical glitch in the second presentation was overcome without a fuss. We received many compliments from other teachers and students alike about the impressive knowledge and understanding the students had on oysters and the oyster industry as well as their general knowledge of our local community and environment, and of course how fantastic our Perth shirts were.

I was very proud of them all, they were very worthy representatives of Stansbury Primary School and great advocates for the community of Stansbury. Congratulations Year 6 & 7s. Please note that students may wear their Perth trip Oyster Tops at school, however when on excursions, they need to be in full school uniform.
Narnu Farm

Although I was not on this camp, all reports have been very positive from both staff and students. I was very pleased to hear you all had a good time and learnt many things whilst you were away on camp. It was great to see from the recounts that I have read that you were obviously fed well and no one went hungry.

I am very proud that you were all able to cope for 3 days without Mum & Dad, and you all had a fantastic time. Everybody’s recounts from Narnu Farm are on display in the office for viewing.

We are currently compiling photos from Perth and Narnu Farm. Once all of the photos have been retrieved from everybody, we will give parents the opportunity to buy a disc of all photos of each camp from the office. More information about this will be put out at a later date.

School Concert

We will be selling DVDs of the school concert for $5.00 these can be ordered from the Front Office.

Remembrance Day - Bublacowie

On Tuesday 11th November, the Year 4’s & 5’s will be travelling to Bublacowie with Miss Hoskins and Di to show our respects at the Remembrance Day Service. The rest of the school will be attending the local Stansbury Service held at the Stansbury War Memorial under the Morton Bay Fig on the foreshore. All are welcome to join us. Weather dependent, students will be walking down to the foreshore, leaving school at approximately 10:30am while the Year 4’s & 5’s will be travelling to Bublacowie by private car.

2015

As mentioned in the last Newsletter, we have started planning for next year and would appreciate knowing accurate information about student numbers to assist with this process. Please let Kim know if you are planning on not being at Stansbury Primary School next year or if you know of anyone planning on joining us next year.

Kim Hoskins

Peacocks

Both of these photos were taken on camps. The albino one at the top was taken in Perth while the other was taken at Narnu Farm.
CPW NEWS – Di Nankivell

Hi, hope you are all well. What a fantastic time we had on camp last week! After a very early start last Monday and about 5 hours in the bus we finally arrived at Narru Farm. Over the course of 3 days we were treated to an array of fun activities including horse riding, hand ploughing with “Blue” the beautiful old Clydesdale, feeding the farm animals, watching a blacksmith demonstration, riding in the back of a vintage truck on a farm tour, visiting the chicken hatchery, learning how to make butter and much more. We were also lucky to have a lady visit to talk about snakes and for those of us who were game enough we were able to hold a python name ‘Gabrielle’! The weather was perfect, the food was yummy and it was great to see all the students participating well and enjoying the activities on camp. Overall, Kirstie and I were impressed with the students, their behaviour and their enthusiasm!

AASC

Yesterday we finished our 3 week block of tennis. Thanks to the students who have participated. It was great to see 11 of you there last night!

Next Thursday we will begin our 4 week block of ‘Scooter Hockey’. Thanks to the funds that we receive by participating in the AASC Program, I was able to purchase a new scooter hockey set for the school. So come along from 3:10-4:10pm next Thursday, learn some new skills and have lots of fun!

Have a fantastic week!

4pm Workshop BMX Bikes ages 12-18 yrs 15 people

Scooter Workshops
A 1hour workshop for up to 15 young people aged between 2-7 years and will cater for all different skill levels.
Young people need to bring their own scooter and helmet. Learn how to Tail whip, 360°, 360° Bar spins, Bunny
hops and much more.

BMX Workshop
A 1 hour workshop for up to 15 people aged 12-18 years with a step by step trick break down. Young people involved
need to bring their own BMX bike and helmet. Learn how to Flatland, Floss, Fender cage, Double peg, Bunny hop
and much more. For advanced BMX riders we will be teaching Tails, Fedex and the foot Jam.

Skateboard Workshops
A 1 hour workshop for up to 15 people aged 8-12 years and will give participants the opportunity to improve their skills.
Learn ollies, kickflips, naikes, stems, sober face, heel flip and more.

“INVOVING YOUNG PEOPLE IN RECREATIONAL PLANNING” Seminar for Adults
This 1 hr presentation can involve council staff, community organizations and youth groups. The seminar will cover
getting young people to be the driver of change in their communities. How youth committees can give effective
recruitment roundtable feedback. Events and workshops run by young people and engaging young people to deliver health
promotion messages. A panel of young people and youth workers will answer questions at the end of the seminar.

“HOW TO CREATE CHANGE IN YOUR COMMUNITY” Seminar for Students
This half hour presentation will cover getting young people to be the driver of change in their communities, ERC
and how it works, steps and resources that you need to make youth recreational committee work. How to get started,
finding young people that are passionate about the sport they practice. Building relationships with local young people
