FROM THE PRINCIPAL

End of term 1

I hope Easter Bunny enjoyed himself visiting all the homes around Stansbury, by the sounds of it, around school, he was very busy.

Well, we are over the Easter break and now term one is nearly over. What a busy term it has been. I would like to welcome back Kayne Ormsby into the Sharks class. It is great to have you back in our school Kayne.

Friday 10th April is the last day of term 1, end of term assembly will be at 1:30pm with a 2pm dismissal. I would like to take this opportunity to wish everyone a safe and enjoyable holiday. Please don’t forget that ANZAC day falls in the holidays this year – on the last Saturday (25th April). There will be a service; you are all welcome to attend at the Memorial beginning at 6:30am near the big fig tree.

1st Day Back Term 2

Reminder that term 2 begins on Monday 27th April
Fundraising Easter Raffle

Thank you to the fundraising committee for organising the Easter Raffle and to everyone for selling the tickets, especially the parents who went down to the IGA over the Easter weekend to sell tickets. Congratulations to the winners:

1st  Charelle Walsh
2nd  Sabine Page
3rd  Brooke Travis
4th  Zac Gray

Anzac Day Preparation

To celebrate ANZAC Day the students will once again be going down to the cemetery on the last day of term to place flags on the ex-servicemen and women’s graves. The students will walk down to the cemetery at 11:00am after recess and be back at school by 12:30 for lunch. I have attached a list of names for whom the children will be placing the flags on the graves to this newsletter. Please take the time to sit down with your children and look at these names, especially if they have relatives who served.

School Photographs

School photographs will be taken on Tuesday 5th May; this is week 2. Ordering envelopes will be sent home on the first day back next term, which will need to be returned to school by Tuesday 5th May.

NAPLAN

It is that time of the year again; NAPLAN tests will be administered on Tuesday, Wednesday and Thursday the 12th – 14th May. These tests are to be completed by the year 3’s 5’s and 7’s. Children have been practising these tests at school to get use to the format of the tests, however please remind your children that they are only tests completed on one day of their school year, just try your best!

Interviews

Thank you to all the parents who attended student interviews last week. If you were unable to get to your interview time please contact your child’s teacher to organise another time. All parents please remember that you do not have to wait for official interview times to see the teachers, should you have any queries or concerns regarding your children please contact your child’s teacher to arrange a time to meet with them.

Carly Ryan Foundation

On Thursday 9th April the year 6 students will be going to Minlaton to see a presentation on Cyber Safety given by the Carly Ryan Foundation. We will be leaving school after recess and be back for lunch so the students will not have to bring anything with them. Please return your consent form attached by Thursday 9th April. There is also a flyer attached to the newsletter regarding a community presentation which will be held that night (9th April) in the Minlaton Council Chambers.

Tuck Day

Wednesday 1st April was the first of our tuck days for 2015. Thank you to Jan Henery for coming in and cooking the Tacos and Fruit and Jelly cups for desert. They were very well received by the children and we raised $94 which will go towards our Cows for Cambodia project. More information on this project will follow next term.

Di Nankivell
We have been exploring the topic of seed dispersion and the role that ants play in spreading seeds. Our experiment involved placing seeds and other food options in a trail of ants and recording their preference.

Shark Award
On Monday 2nd March and Tuesday 10th March the year 5-7’s went to Port Vincent to participate in Aquatics for this year. The students went Sailing, Knee boarding, Kayaking, Windsurfing and Snorkeling. We had the most amazing weather both days and really enjoyed our time.
An amazing day was had by all, the comraderie and sportsmanship between all the 4 small schools was a real credit to all the students competing. Thank you to all the parents who volunteered to make the day such a success.
Congratulations to all the Sharks students who competed at interschool sports day. A special congratulations to Harry who won 1st place in Long Jump and 1st place in Discus.

A very big Thank you to Lynda Farrow, Alison Lloyd and Cam Leaney who helped out on the day getting the students to their events. It was really appreciated.

After numerous phone calls I have been informed that once again we will not be getting NBN this time around and there is still no sign of ADSL coming to the area, it looks like we are down to people power to try and get this changed. I have spoken to Veronica Brundell who has contacted our MP and through getting little support I am now seeking support from the community in written letters of complaints to Rowan Ramsey.

If you share this frustration and would like to show your support in trying to get things changed could you please write a letter of complaint to Rowan Ramsey outlining your frustrations. You can drop off your letter in a stamped envelope to me at Hair at the Bay or Scott at the post office and when we have a collection we will send them off.

Thanks for your time,

Michelle Varricchio
