New timetable

FROM THE PRINCIPAL

Wooden Boat Regatta
This weekend is the Wooden Boat Regatta. As you will be aware from the note sent home earlier this week, the fundraising parents are having a stall down the street selling tea, coffee, biscuits, muffins and cakes. These few parents are giving up their time to make food to sell and man the stall on Saturday morning. They are raising money for the school and all the children at the school. The response from other parents to bake things has been minimal. If you are able to bake some biscuits, muffins, cupcakes etc and bring them down the street tomorrow morning please contact Michelle Ryszawa, Kerri Ormsby or the school phone tonight to let us know so these parents are not having to be baking all night to have items to sell.

It would also be good if you are down at the markets that you walk down towards the caravan park and see the girls at the stall and offer to help out for half an hour or even 10 minutes to give them a break.

VERY IMPORTANT NOTICE!!!!!!!!!!!!!!!!!!!!!!!

Please note that due to a high number of staff and students going to be missing on Monday 11th April school photos have been moved to Monday 15th August.
Due to a need to increase our lunch break time and keep the Brain break for the children we have had to change our school day times and the school day will now finish at 3:10pm instead of 3:05pm. This will take place as of day 1 term 2. Attached to the newsletter is a copy of the new timetable with the changed break times and end of day time.

**End of term 1 day plan!**

As the end of term 1 is rapidly approaching I would like to take this opportunity to wish everyone a safe and happy holiday. Remember Anzac day will fall in the holidays; however the service will still be held down the street. The students will be walking to the cemetery on Friday between recess and lunch to place the flags on ex-servicemen and women’s graves. The children enjoy the opportunity to do this to help honour and recognise these brave soldiers who have done so much for our country.

The last day of term will finish with a whole school assembly starting at 1:45, with all the students dismissed to 2:00pm.

Kim Hoskins
On Thursday the 31st of March, students travelled to Minlaton for the annual Interschool Sports Day. Congratulations to everyone who competed!
A special mention to Harry Gray, who placed second in 11 Year old Boys Long Jump and Discus, Kayne Ormsby who placed second in 12 Year old Boys Discus and Kirsty Anderson for placing 4th in the 13 years and over 100 metre race.
This term in Maths we have been very busy in our lessons. We enjoy being ‘hands on’ in our lessons and using different Maths equipment to help us learn. In the photos, we are learning about the different ways we can make 10, counting to 10 and making big numbers.
