### FROM THE PRINCIPAL

#### **Governing Council AGM and Meeting 1**

Monday 27<sup>th</sup> February is the Governing council AGM and meeting one. Joining the governing council is a great opportunity to find out what is going on at the school as well as have an input into the school policies and procedures. Next week for new members I will run through the Code of Conduct for the members as well as the roles and responsibilities of the council. All are welcome to join in the AGM. Throughout the AGM we will have the voting for the positions of office. We welcome any new members to the governing council. All governing councillors will be required to undergo a police check.

#### **Data Interviews**

These will be a little bit later in the term this year to allow the students some time to settle and then the teachers have more than just data to report on for the interview. These will be held in week 6. Attached is a form with the available time slots. Please fill in three preferred times (for each child) and I will endeavour to make sure you get one of these three choices. As always it will be first in first allocated with the preferred times.

#### **Hats**

As you will all be aware by now there has been a new directive from DECD to remove all cords off of hats. A note regarding this was sent home this week. Thankyou to all the parents who did this. Should you want the strings / cords to stay on your child's hat can you please write a note in your child's diary stating this. Likewise if you would like the staff to cut the strings off the hats at school please write a note in your child's diary giving us permission to do so. Thankyou for your co-operation in this matter.

## **Sports Days**

Friday 17<sup>th</sup> March is our sports day at Curramulka, on the town oval. The day will begin at 9:00am and we ask that all children are brought to Curramulka by 8:45am to get organised. This is a wonderful day and a great chance to mix with the children and parents at Curramulka. As always we encourage parents to stay for the day to support your children and assist in the running of events. Without this help we cannot run the events as each school has only so many pairs of hands. Curramulka is also looking for parent helpers to help set up for the great occasion on Thursday night the 16<sup>th</sup> March. Should you be able to assist in this everyone is meeting at the curry oval at 4:00pm. Thankyou in advance for your support and assistance, it is gratefully appreciated.

PLEASE NOTE: Once the day is complete children are able to go home. Normally around 1:30 – 2:00pm. A program of events for the day will be sent home on Wednesday the 15<sup>th</sup> March. We are still communication with the Lions Club regarding lunches so more information regarding this will be sent home as it is finalised.

Interschool sports day – the team will be organised for this sports day after our day has been run. Once this has been completed the decision will be made whether we all go to sports day or some students stay behind at school.

## **February 28<sup>th</sup>**

Tuesday the 28<sup>th</sup> February the Dick Johnson Racing Team will be at Yorketown oval from 10:30 am. At this stage we are planning to send one car load of Sharks students to Yorketown to represent the school. They are currently working towards achieving a spot. Due to this the consent forms will not be sent home until the last Permission to go for those lucky ones that are chosen to attend will be sent home on Monday.

## STANSBURY PRIMARY SCHOOL

### HENLEY AFTERNOON

On Friday 3<sup>rd</sup> of February the children of Stansbury Primary joined with the children from Curry Primary to participate in an exciting afternoon with the Life savers from Henley Beach. Even though there was not very much water, a great afternoon was had by all.
