FROM THE PRINCIPAL

Dear Families,

Thank you to all of the families who provided the delicious savoury and sweets for our shared lunch to farewell Linda, Charlotte and Karen, staff members who have contributed significantly to the life of our school. We are grateful for everything they have done for our school and wish each of them well as they move onto new ventures.

We are grateful to the Southern Yorke Peninsula Landcare Group for donating a copy of their book *Native Plants of Yorke Peninsula* to our school. The book is hot off the press and is beautifully presented with colourful photographs and useful information. Landcare continues to be a strong focus at the school, with senior students attending the NRM day at Corny Point this week to plant trees in the coastal environment.

Congratulations to Dianne Nankivell who has worked on contract at our school for the last decade and has now been appointed permanently to our site. Di's work with staff, students and the broader community is highly valued and we are delighted that she is now able to remain at our site as a permanent staff member. Congratulations also to Kirsty Campion who has received a certificate of service recognition from DECD acknowledging her 10 year commitment to improving the lives of children and young people.

Next term we welcome Maddy Sayers who will be coordinating Playcentre on Monday mornings. There has been a whirlwind of activity in the Playcentre as walls are being painted and the learning program for our youngest children prepared in readiness for the new term. A reminder to any families who have children turning five by the 1st of May Starting school next year, or are aware of any children due to start school, please complete an enrolment form as planning for 2018 needs to be done this year. Thank you for your consideration.

I trust that all families will enjoy the holidays and we look forward to welcoming everyone back for Term 3 on Monday 24th July at 8:45. May the next weeks be both restful and fun for staff, students and families. Keep safe.

Joyce Dinan

PCW NEWS...Di Nankivell

Hi. Hope you are all well and are looking forward to spending some quality time with your children during the holidays!

Our last visit to Elanora was on Wednesday 21st June. Once again the students enjoyed spending this time with the residents. The sharks class showed portraits which they had been doing in Art. The residents were very impressed with their artistic talent so we have discussed the possibility of the students doing a portrait for each of the residents next term. We also enjoyed playing bingo during the afternoon. Well done to all the students for the kind and caring way in which they interact with the residents.

Thankyou...

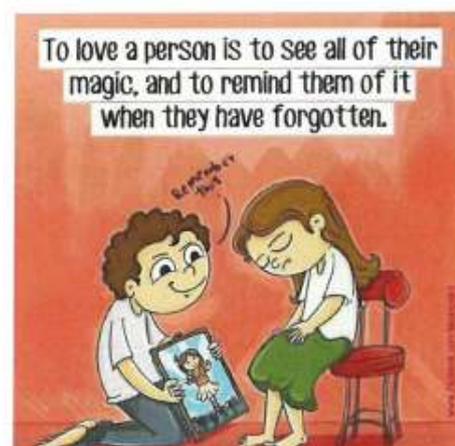

to the Stansbury Interchurch association for providing a beautiful lunch for us last Friday. We feasted on yummy hot baked potatoes with a variety of toppings and then jelly, fruit and yoghurt. Because of their generosity we raised \$120 to go towards our 'Sunrise Cambodia' humanitarian project. We will be doing some more fundraising for this next term! I'll keep you posted as to what's happening!

In week 1 next term I will be attending our annual Schools Ministry Group Conference in Adelaide. This is a great time in which Pastoral Care Workers from all over the state come together for a time of networking, workshops and professional development. I will also be attending the Generation Next Mental Health and Well-Being of Young People 2017. This is a fantastic conference where speakers from many different health sectors come together to provide new and updated information on the many challenges that are facing our young people.

Take care and have a fantastic holiday!
