#### **GOVERNING COUNCIL AGM and Meeting**

The whole school community is invited to the Governing Council AGM on Monday 12<sup>th</sup> February at 5pm in the School Library. The Annual Report for 2017 is presented to the school community and the election of the 2018 councillors is conducted. A nomination form is included with this newsletter and needs to be returned to the school by Monday 12<sup>th</sup> February. We encourage any new members to Governing Council. All elected Governing Council members will need to undergo a police check that is organised by the school.

Being on Governing Council is a great way to learn more about how schools operate and the requirements we need to meet, as well as learn about all the exciting teaching and learning programs we use. It provides parents with the opportunity to have input into school policies and procedures and whole school directions.

At the conclusion of the AGM, the new 2018 Governing Councillors need to remain for a short meeting to elect office bearers and I will provide a brief induction about the role of a councillor.

I look forward to seeing parents at the AGM.

#### **HATS**

I have been really impressed with all of our students remembering to wear their hats when participating in outdoor activities.

#### **WEEK 1 REVIEW**

Thank you to the parents that I have met already. You have made us all feel very welcome. The staff have all been busy working with the students on our school values and the students have all demonstrated a sound understanding of what

the values mean, how they will act towards one another, and the expectations at school. Special thanks for Di, our Pastoral Support Worker for organising and managing the activities.

## FRONT OFFICE

The school front office is currently available on Mondays, Tuesdays, Wednesdays and Fridays to support you with your requests/questions.

On Thursdays there may be staff available to answer phone queries throughout the day when they are not in classes.

## PCW NEWS...DI Nankivell

Hi. Hope you all had a fantastic holiday and enjoyed spending this quality time with your children. It has been great to see so many happy, smiling faces back at school this week! A very special welcome to all our new students and families! It has been lovely seeing so many new reception students here at school and it has been lovely getting to know them this week! Thanks to those of you who have returned the consent form for your child to work with me and be involved in activities with me here at school. If you haven't returned your form, please do so as soon as possible. I will be sending a letter home next week which will give further explanation about my Pastoral Care role but please feel free to call or come in and see me if there are any questions or concerns you have.

This week has been a really fun and positive way to start the school year. As usual, we begin our school year by focusing on our values and spending the week doing lots of fun activities which revolve around our school values of – Friendliness, Honesty and Responsibility. This week gives students the opportunity to get to know new students and to reconnect with their friends after the holidays. It is a week filled with lots of learning, but also lots of fun! As a school, we take pride in our values system which has been established here for many years. Values Week enables all students to be aware of and learn about the values which our school has adopted. These values are reinforced throughout the year and are promoted in all areas of the students learning and well-being.

During this week we also choose our school captains and invite applications for our Peer Mediation program. Congratulations to Declan Pisani who has been chosen as our School Captain for 2018 and Jess Farrow who is our Vice Captain. I'm sure Declan and Jess will be amazing leaders in our school and be great role models to the other students!

# Bye!

Have a great week...Di

## WELCOME

Stansbury Primary School would like to welcome all our new students for 2018. We have a wonderful group of 5 Receptions this year. We are excited to have Chelsea Gum, Blair Williams, Henley Dutschke, Xavier Kokar and Lexi Moore. I'm sure everyone will make these new families feel welcome in our school community.
