FROM THE PRINCIPAL

GOVERNING COUNCIL

Our first meeting held for the year was our AGM, followed by the new Governing Council electing its office bearers.

I am pleased to announce the Stansbury PS 2018 Governing Council members are:

- Chairperson- Lynda Farrow
- Deputy Chair- Lana Bennett
- Secretary – Lauren Kokar
- Treasurer – Kerry Ormsby
- Community Rep – Beth Faulkner
- Councillors – Jess Brooks-West, Michelle Ryszawa, Ebony Macgowan, Tara Dutschke,

Councillors on the subcommittees are:

- Finance- Kerry Ormsby
- Fundraising – Kerry Ormsby, Ebony Macgowan, Danyelle Gates, Jess Brooks-West
- Play Centre – Lauren Kokar, Lana Bennett

If you would like to support the sub-committees please let these key contact people know your willingness to become involved in some way.

The AGM was a brief meeting focusing on the 2017 Annual Report, Chairperson- Lynda Farrow's report and the previous principal – Joyce Dinan's report was read out. Council members elections occurred and the meeting ended.

The new Governing Council spent their first meeting with an induction of the roles and responsibilities of being a councillor. One of the key points is confidentiality, so please respect your elected councillors position if they are not able to discuss in detail what is on the agenda at the meeting. A short summary of the key points, any consultation processes to be used or decisions made will be put in the newsletter as soon as possible after the meeting so that everyone is informed.

These councillors are elected positions and they are your parent representatives so please feel free to contact them if you have any questions about school policies and procedures or school improvements so that they can bring the issues to the meeting for discussion.

Curriculum offered, the way it is taught and staffing issues are the principal's responsibility so if you have any concerns in these areas please come and chat with me at school.

SOUTHERN YORKE PENINSULA SAPSASA DISTRICT TEAMS

SAPSASA now has a new logo (Red, Blue & Gold)— School Sport SA so you may see this at events in 2018. If there are any students in years 5-7 who are interested in representing our district (or combining with Northern Yorke) in term 1, the following teams will be competing:

- Swimming
- Softball- boys and girls competition. (this is one sport that you don't need to have played before to be selected. At trials you may have skills you didn't know you had and they coach you all the way.)

Notices of trial dates will be sent home with the students throughout the year. If you want further information prior to this please visit the website, as all the details of all competitions for 2018 are there.

POSITIVE PLAY

We have introduced a positive play reward time for all students who follow our school values and do not get their name in the behaviour records.

For students who have been excellent ambassadors for our school, they get an extra 10 minutes free play on Thursday mornings at recess time.

If students did not make positive choices with their behaviour in that week, they stay in the classroom with their teacher and discuss what they need to do next time that situation arises.

We will trial this in term 1 and then get feedback from the students all how it is working.

Congratulations to the Sharks class for 100% involvement in our first positive play. These students all demonstrated a strong commitment to our upholding our school values.

STUDENTS AT SCHOOL

Just a quick reminder that students are not to be on the school grounds before 8:30am as there is no-one on duty to supervise them. Thanks for your help with this to keep our students safe.

HENLEY BEACH SURF LIFESAVING CLUB DAY

Last Friday, Henley Surf lifesaving club came to visit us at school. They spent time with the Sharks class teaching them CPR.

We had to get changed into our bathers and put on some sunscreen. We had to wear our hats. We walked to the beach and we met up with the kids from Curramulka School and the tide was out. We had to go to the jetty because there was more water there.

We played some games on the beach. We went swimming. We had a turn on the boards around the lifesavers and then we got to have a turn on the rubber ducky.

Some of our Mums and Dads came to pick us up from the beach or we had to walk back to school. We were feeling tired, but excited and happy with the day that we had.

By the Seahorse class

Bluff Beach

On Wednesday the 14th February, we went on the bus to Bluff Beach. We went with students from Curramulka School. We went swimming, played games on the sand and went for a reef walk. We learnt how to rescue our friends and how to ask for help. We had instructors helping us. We ate our recess and lunch at the beach. When we came back to school, we were very tired.

Written by the Seahorse class

PORT POWER VISIT

On Monday we had a visit from the Port Adelaide Football Club. The student got to chat to a couple of the players, they received a signed poster and had a kick of the footy.

COMMUNITY NOTICES

I am a retired JP/Early Intervention Teacher who worked at Minlaton District School but now live at Stansbury. Does your child need extra support with Reading, Writing or Spelling? After school tutoring available. \$30 for up to 1 hr (time depends on the age of the student.) Reasonable rate.
