UNIFORM POLICY

Policy developed in June 2018

SCHOOL UNIFORM

Rationale

Under the EDUCATION ACT (1972) and REGULATION 86 Governing Councils have the power to determine school dress policy and expectations.

Governing Council has determined the school uniform requirements through a consultative process managed by the Council. There is widespread support for school uniform in the community. Any changes or variations to the SPS uniform will be managed via Governing Council.

Students need to present themselves in a manner, which indicates that they are at school for the purpose of learning.

The benefits of students wearing a uniform include:

1. School identity - to encourage a sense of belonging and pride in our school.
2. Reduces competition between students around clothing and fashion.
3. Prepares students for employment situations which may require wearing of uniform.
4. Security – being able to identify intruders and identify the school group when engaging in offsite activities such as excursions.

Uniforms can be purchased from YP Surf and Sports Wear – Yorketown.

DRESS CODE

Governing council seek the support of all families in complying with the school dress code.

School uniform must be worn to school on a daily basis and at functions where the students are representing the school eg assemblies, sports days

On occasions when it is not possible for a student to comply with the uniform requirements a written note must be provided in the student's diary. Families and students will be notified by teachers in writing if uniform is not necessary on particular days.

Uniforms need to be logo free (or maximum 50c piece size and no stripes)

Boys

Navy (no denim) trousers, track pants or shorts. (Snap pants and/or football shorts are not considered satisfactory school clothing). Navy school polo shirt and a school navy blue jumper/zip up jacket.

Girls

Poly cotton check dress, navy blue shorts or skirts, (no denim) or track pants with a navy school polo shirt and a school navy blue jumper.

Footwear

Black, brown or navy shoes, secured sandals with back strap or sneakers are required for normal school footwear.

Socks or navy tights

Hats

Hats are required to be worn at all times when outside as part of the 'Sunsafe Policy'. Navy school bucket hats are expected. In terms 2 and 3 a beanie may be worn instead of a bucket hat. "No hat, no play" is understood by all students. (They stay under the lunch shelter during break times.)

Jewellery

Minimal jewellery is to worn at school and only simple earrings e.g. sleepers, studs are acceptable as jewellery.

Hair

Natural hair should be neat and tidy, and tied back where possible.

Other clothing accessories

In colder weather navy beanies, navy scarves or navy gloves/mittens may be worn outside.

The school will still keep stocks of hats and beanies as these are easily lost and are required for the students to be able to participate in the curriculum.

Please make sure all uniforms are clearly named, so misplaced items can be easily returned to its owner.
